This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2025.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend

In line with the requirements contained within last years' national PE & Sport Premium template, at the end of the last academic year we reviewed our spend and key achievements and completed the appropriate section. One key purpose of this exercise was to inform and support our planning and spend for this academic year. Based on this review please now see our current plans and related spend below.

Budget for 2024/25

2024/25 Premium - £16,650

Key Indicators

Schools should prioritise PE and sport premium spending to improve in the following 5 key areas*

1. increasing all staff's confidence, knowledge and skills in teaching PE and sport
2. increasing engagement of all pupils in regular physical activity and sport
3. raising the profile of PE and sport across the school, to support whole school improvement
4. offer a broader and more equal experience of a range of sports and physical activities to all pupils
5. increase participation in competitive sport

* It is not a necessity that spending needs to satisfy all these key areas, schools should identify the improvements they aim to make, aligning it to one or more of the key area(s).

Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
1. Learning through Dance	<ul style="list-style-type: none"> • Excellent feedback from staff, children, and parents • This has supported our staff to gain an understanding of how to employ dance to enhance children's engagement with, and learning within, key books and topics as part of their Primary National Curriculum Journey. • In addition to the academic learning, children had the opportunity to develop their movement to music, their personal, social, team-building and leadership skills, and their sense of pride, belonging, achievement and well-being. 	<ul style="list-style-type: none"> • Next year to rebook.
2. JB's – CPD and After-school clubs	<ul style="list-style-type: none"> • Increased staff confidence, knowledge and understanding to deliver more effective PE lessons • Enhanced planning and delivery of PE lessons • More pupils meeting their daily physical activity goal • More pupils encouraged to take part in PE and Sport Activities. • Greater understanding and enhanced knowledge about the benefits of healthy physical activity • Increased awareness of the wide range of different types of healthy activity available • Increased opportunities for healthy activity available • Increased engagement in exercise • Improvement in health and well-being • Increased participation by children who normally do not engage with sporting / physical activity opportunities • To set up inter-school across LAAT schools competitions. 	<ul style="list-style-type: none"> • Continue with this programme • Develop more intra-competitive opportunities
3. SGO – Sports Development Days / Competition	<p>For our children:</p> <ul style="list-style-type: none"> • Experience of competition against self and others • Experience and understanding of rules and scoring systems • Experience and understanding of how to work as a team and how to handle winning and losing and the importance of good sportsmanship • Opportunities to participate in a wider variety of activities • Awareness of the importance of physical activity and health • Socialisation with other children from other schools / backgrounds • Experience of sense of well-being and the feeling of achieving their best 	<ul style="list-style-type: none"> • This year the Sports events have worked really well and we have participated in most the events. To continue with similar package for next year.

Swimming and Water-Safety Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
<p>What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?</p>	<p>79%</p>	<p><i>Use this text box to give further context behind the percentage.</i> <i>e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.</i></p>
<p>What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?</p>	<p>79%</p>	<p><i>Use this text box to give further context behind the percentage.</i> <i>e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024</i></p>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>79%</p>	<p><i>Use this text box to give further context behind the percentage.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes</p>	
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>No</p>
