Dear Parents/Carers

One of the greatest joys of our school community is seeing just how much learning happens far beyond the four walls of a classroom. This week has been a perfect reminder that education is everywhere — in fields, sports halls, and the heart of our local area.

Our **Y5/6 Badgers** had their turn visiting the farm. They completed the important jobs of feeding the animals and also had a great time using their knowledge learnt in class to take part in a forces competition.

Meanwhile, our **Reception, Y1/2 Hedgehogs and Rabbits** represented the school brilliantly at the **PE Movement Day** hosted at Skegness Grammar School. The children took part in a variety of physical activities designed to build confidence, coordination, and teamwork. It

was wonderful to see them embracing challenges, supporting each other, and celebrating their successes. It was also lovely to see some past pupils, now at SGS, helping with the morning.

Not to be outdone, our **SENDHub Squirrels** have also been out and about this week, exploring the local area. They visited the church and walked up to the bus stop.

Across all these experiences, one thing shines through: learning happens everywhere. Our pupils grow not just through lessons, but through moments of exploration, discovery, and shared joy. We are incredibly proud of all the children who took part in this week's activities and grateful to the staff who made these opportunities possible.

Here's to another week of learning in all its wonderful forms!

Red Nose Day!
