Dear Parents/Carers

★ Celebrating Our Amazing Year 6

A huge **well done to our Year 6 pupils!** We are incredibly proud of how they approached their SATs this week. They showed maturity, resilience, and a fantastic attitude throughout the tests.

Our sincere thanks also go to the staff who have supported and prepared the children so thoroughly. Their hard work helped ensure that pupils felt confident and as relaxed as possible (and we're quite sure the sweets played a small part too!).

 Italy Trip

Myself, Mrs Simpson, and eight of our Year 5/6 pupils will be travelling to **Francavilla al Mare in Italy** on Monday.

During the trip, pupils will experience what school life is like in Italy, taking part in lessons with local students. They will also have the opportunity to explore the surrounding area and will enjoy a special afternoon of pizza making 🍕

This incredible opportunity has been made possible thanks to the **Government Turing Scheme**, which has fully funded the trip. We can't wait to share updates from this fantastic experience so apologies in advance for the facebook posts this week!

🎉 **Disco Date Change** 🎉

Please note an important update: The **school disco has been moved to Wednesday 20th**. Booking is now open and we look forward to seeing lots of children there for an afternoon of fun!

🏠 **Summer Fete - 26th June - Save the Date!**

Excitement is building for our **first school summer fete in many years to be held on Friday 26th June from 3pm onwards!** Following our recent planning meeting, it's shaping up to be a wonderful event for the whole community.

We would love this to be a true community celebration, so please **save the date and invite family and friends**. Join us for what promises to be a fantastic day

On **12th June**, we will be holding a **non-uniform day**. We kindly ask children to bring in a **bottle (non-alcoholic)** for our bottle tombola.

💚 **Mental Health Awareness Week**

As part of Mental Health Awareness Week, some of our children took part in an energising Joe Wicks online session to support their physical wellbeing.

The session encouraged children to get active, have fun, and understand the positive impact that exercise can have on both body and mind. It was fantastic to see such enthusiasm and participation, with lots of smiles throughout!

Well done to everyone who joined in—a great way to promote healthy bodies and healthy minds.

🚦 **Road Safety Visit**

A big **thank you to Sam from the Lincolnshire Road Safety Partnership** for a fantastic visit to our school this week.

Children across the school benefited from engaging and informative sessions, including a fun and practical road safety workshop with our Y1/2 Rabbits and an important talk for our Y5/6 Badgers on the importance of wearing cycling helmets.

It was a truly valuable day, helping our pupils to understand how to keep themselves safe both on and near the roads.

FREE Breakfast Club

We are really pleased with the success of our **FREE Breakfast Club** this week. We still have spaces available, so if you feel your child would benefit from a calmer, slower start to the school day with **breakfast included**  , please **book via MCAS**.

A huge thank you to all parents, families, and our local community for your continued support throughout the term. It makes such a difference, and we are truly grateful.

Attendance Update

Good attendance is one of the most important factors in helping children succeed at school. Every lesson builds on the last, and missing even a small amount of time can make it harder for children to keep up with their learning.

Did you know?

- Missing just **1 day of school each week** adds up to **around 6–7 weeks of learning lost over a year**.
- This can mean missing key concepts, practice, and opportunities to build confidence.

We understand that illnesses do happen, but we encourage all families to prioritise attendance wherever possible and avoid unnecessary absences. Arriving on time each day is just as important, as even being a few minutes late can mean missing valuable learning.

Thank you for your continued support in helping your child make the most of every school day.

Together, we can make every day count! ✨
