

EYFS Autumn Term Curriculum Letter

All About Me!

Welcome back everyone and an extra welcome to our new parents.

Our weekly timetable will consist of lots of fun and purposeful activities that will take place indoors and in our outdoor environment. Learning opportunities will be planned around our seven areas of learning and development according to the EYFS curriculum and will involve adult led and child-initiated activities.

Phonics	(Reception) Daily phonics using our school scheme Read Write Inc. Fred Frog will help support us to read single sounds. During this term children will learn a new sound every day. Links to videos of these sounds will be shared on Tapestry weekly. (Nursery) Children will begin to listen out for different sounds in the environment. <u>READING BOOKS:</u> As Reception children begin to learn their single sounds, then a sound blending book will start to come home. All children can also choose a sharing book from school that you can read with your child. Please write a comment in their yellow reading records.
Literacy	(Reception) Our story focus will be the traditional tale of <i>The Little Red Hen</i> . (Nursery) <i>Our focus is traditional stories this term.</i>
Maths	Daily opportunities will be planned through continuous provision and daily routines for all children. (Reception) Our main focus will be counting and identifying number patterns to 10. Then we will begin to compare quantities exploring more/fewer without counting. (Nursery) Our focus will be counting, identifying numbers to 5.
Understanding the World	Our topic this term is 'All About Me' which includes my body, my family and people in our community. We will talk about how we are similar and different to each other. Compare pictures from now to when they were babies and look at different job roles in our community. If possible, please could your child bring in a baby photo and some family photos, alternatively they can be uploaded onto Tapestry that we can print off for a classroom display.
RE	What makes me special?
Music	ME!
PSHE - Jigsaw	Being Me in my World!
PE	We will do lots of physical development throughout each day, but on a Monday and Friday we will have a PE session. On a Monday and Friday please can your child come to school in their PE kits.

We will continue to share our learning journey of each week on Tapestry so please look out each week to see what your child has been learning about. Also, please share any photos from home that your child can share with the rest of the class.

We look forward to seeing them!
