[Dear Parents/Carers](#)

### **WELCOME BACK!**

A very warm welcome back to all of our pupils, families and staff as we begin the 2026/2027 academic year. We hope everyone has enjoyed a happy and restful summer break and is feeling ready for another exciting year of learning, growth and achievement.

We would like to extend a special welcome to our new Nursery children, Reception children, the pupils joining our SEND Hub, and all other new children and families who have become part of our school community. We are delighted to have you with us and look forward to helping you settle into school life.

This year promises to be full of exciting opportunities, with the return of our broad and enriching curriculum, Farm School, educational visits, special events and a wide range of experiences designed to inspire curiosity, creativity and a love of learning.

We are looking forward to a fun-filled and successful year ahead and can't wait to see all that our children will achieve.

**Here's to a fantastic 2026/2027 academic year! 🌟**

### **Cool Milk Reminder -**

We would like to inform you of an important update regarding our milk provision in school.

Due to recent changes to Free School Meals and the Cool Milk scheme, we will no longer be offering Cool Milk to pupils who receive Free School Meals.

Moving forward, milk will only be provided to children under the age of five, specifically those in our Nursery and Reception classes, in line with current guidance.

### **Farm School -**

We are delighted to be continuing our **Farm School programme** at the Askefield Project this year. These sessions provide our children with valuable opportunities to learn outdoors, develop new skills and engage with nature in a hands-on and meaningful way. Further information, including session details and any requirements, will be sent home over the next couple of weeks. We look forward to another fantastic year of Farm School experiences for our pupils. 🌱 🐑 🚜

### **Music Opportunities -**

If your child is interested in learning a musical instrument in school, an email has been sent to families of children in Year 2 and above. Alternatively, please come and speak to the school office this week for more information. We currently offer lessons in: Trumpet,

Trombone and Piano. Learning an instrument is a fantastic way to develop confidence, creativity and resilience, and we would love to see more children getting involved!

### **FREE Breakfast Club**

We are really pleased with the success of our **FREE Breakfast Club!**

There are still spaces available. If your child would benefit from a calmer, more relaxed start to the day with breakfast included   - please book via MCAS.

### Attendance:

As we begin the 2026/2027 academic year, we would like to thank all of our families for their continued support in ensuring children attend school regularly and arrive on time each day. Excellent attendance is one of the most important factors in helping children achieve their full potential, build positive relationships and develop confidence in their learning.

Every school day provides valuable opportunities for children to learn, participate and grow. Arriving on time helps pupils start the day calmly, settled and ready to learn alongside their classmates, while regular attendance ensures they do not miss important teaching, activities and experiences.

We look forward to working in partnership with all our families throughout the year to make every school day count. Together, we can ensure that every child has the best possible opportunity to succeed, enjoy their learning and make the most of all the exciting opportunities that lie ahead. Thank you for your ongoing support.

### POMS -

At our school, every child is assigned to one of four House teams: **Red, Blue, Green or Yellow**. Our House Point system, known as **Poms**, is used to recognise and celebrate children

who go above and beyond in school. Pupils can earn Poms for a variety of reasons, including outstanding work, excellent behaviour, showing kindness, demonstrating resilience or being a positive role model for others. At the end of each week, all Poms are counted and added to each House's total, with the winning House announced and celebrated during our Collective Worship. It is a fantastic way to encourage teamwork, reward positive choices and celebrate success across the school. 🏆🎉
