Dear Parents/Carers

I have been popping into classes this week and have been really impressed by the children's focus, enthusiasm and commitment to their learning. It has been wonderful to see pupils engaged in lessons, working hard and taking pride in their achievements. This has been reflected in the first Star and Writer of the week awards given out today in assembly. What a great start to the year!

A huge well done to those Year 6 pupils who completed their first 11+ test this week and for approaching it with confidence and determination. We are incredibly proud of them all. Looking ahead, our Year 6 children will be taking their second 11+ test next week, and we wish them every success. Keep up the fantastic work!

Letters

Please keep a look out in your child's book bags tonight as there are important letters that have gone out to all classes (apart from nursery). Please can we have these returned to school by next Friday at the latest.

Fire Drill

On Monday, the Hedgehogs, Rabbits, Foxes and Badgers will have their first fire drill of the year. As it is the first one, please feel free to talk to your child about it over the weekend. We will be talking to the children in class beforehand about what to do. The Squirrels class will not be having a fire drill on Monday.

School Photographer

The school photographer will be in school on **Tuesday 23rd September** to take individual photographs of the children. If you would like younger siblings to be included in a family photograph, you are welcome to bring them into school at **8:30am**.

Please ensure children come to school in **smart school uniform** on this day. **No PE kits, please.** And don't forget to bring your best smile! 😊

Parent Pop-In Session

We are delighted to invite parents and carers to our **Parent Pop-In on Tuesday 23rd September from 3:00pm to 4:00pm**.

Parents are welcome to collect their child at the end of the school day and then return to the classroom together. This will give your child the opportunity to proudly show you their classroom, share some of their learning from the start of the year, and tell you about their experiences so far.

The session is also an opportunity to have a brief, informal chat with your child's class teacher. Please note that, due to the number of families attending, teachers will only be able to have short conversations during this time. If you would like a more detailed discussion about your child, please arrange a separate appointment with the class teacher.

We look forward to welcoming you into school and sharing the wonderful start the children have made to the new academic year!

A reminder for anyone that missed it last week about our PE Days -

Please ensure that you send your children into school on those specific days with their PE kit on and suitable footwear.

SUPPORTING TODAY BRIGHTER TOMORROWS

Could You Spare a Little Time?

Unlike a traditional PTFA, Friends of Friskney is a small, friendly group of parents who come together to organise fundraising events and activities that support our school and enrich our

children's experiences. At the moment, our group consists of just three parents, and we'd love to welcome some new faces to help share ideas, support events and keep our fundraising efforts going. You don't need lots of free time, specific skills or a long-term commitment. Whether you can help at an event, lend a hand occasionally, or simply contribute ideas, every bit of support makes a real difference. Even an hour or two throughout the year can help us continue providing valuable opportunities and resources for our children. Joining Friends of Friskney is also a great way to meet other parents and become more involved in our school community. Fresh ideas and new perspectives are always welcome, and the more people involved, the more we can achieve together. If you'd like to find out more, please speak to a member of the Friends of Friskney team or contact the school office. Together, we can make a big difference for our children and our school.

Poms Totals: Well done to the **YELLOW** Team who are the winners this week.

At our school, every child is assigned to one of four House teams: **Red, Blue, Green or Yellow**. Our House Point system, known as **Poms**, is used to recognise and celebrate children who go above and beyond in school. Pupils can earn Poms for a variety of reasons, including outstanding work, excellent behaviour, showing kindness, demonstrating resilience or being a positive role model for others. At the end of each week, all Poms are counted and added to each House's total, with the winning House announced and celebrated during our Collective

Worship. It is a fantastic way to encourage teamwork, reward positive choices and celebrate success across the school. 🏆🎉

LAAT - Newsletter

How LAAT Supports Our Schools

LAAT is a family of 24 wonderful schools, each with its own character, community and identity.

Our role is to support our schools and help them thrive. We bring together colleagues with expertise across education, finance, HR, estates, health and safety, data and operations, who work alongside school teams to provide advice, support and practical help. By sharing this expertise across LAAT, we can ease pressure on busy school leaders and give them more time to focus on what matters most: giving every child the best possible education.

What does LAAT do?

We provide specialist support in areas including:

- Education and school improvement – leadership development, curriculum, teaching and learning, assessment and inclusion.
- Finance – helping schools manage resources effectively and meet financial and regulatory requirements.
- People and HR – recruitment, employee relations, wellbeing, training and professional development.
- Payroll and pensions – providing accurate and reliable administration for school colleagues.
- Operations and administration – supporting the efficient day-to-day running of schools.
- Health and safety – helping schools maintain safe environments for pupils, staff and visitors.
- Data and insight – supporting informed decision-making and school improvement.
- Governance – working with school and Trust governance structures to ensure effective processes and compliance.

What doesn't LAAT do?

Being part of LAAT does not mean every school becomes the same. Schools retain their individual identity, character and connection to their communities.

LAAT does not:

- Decide how individual schools organise their classes or classrooms.
- Set day-to-day school routines.
- Choose class names, displays or decorations.
- Decide which trips, celebrations, events, clubs or enrichment activities take place.
- Interfere with PTAs or Friends groups.
- Decide which local traditions schools maintain.
- Replace the relationship between schools, parents and their communities.
- Dictate how schools engage with their local communities.

- Set each school's calendar and events programme.
- Control how schools communicate with families, provided they meet Trust standards.
- Make every spending decision for schools; school leaders manage their delegated budgets within the Trust's financial framework.
