[Dear Parents/Carers](#)

What a busy week it seems to have been in school this week! I know the Y6 children, who took their final 11+ test on Friday, will be feeling relieved it is all over! They did so well and should feel very proud.

I have had a great couple of meetings with the Friends of Friskney over the last couple of weeks and am very excited about the plans for the year. The first event they are supporting us with is the parent pop-in (details below). It is the first event of the year using our **token system**. Please see the information in the poster or ask in the office for more information.

 **Uniform**

As we begin the new academic year, we would like to take this opportunity to remind parents, carers and children of our school uniform expectations.

In particular, we would like to highlight the importance of adhering to our policy regarding **jewellery**. Only permitted items should be worn in school, in line with our uniform guidelines. We would also like to ask families that **make-up is not worn during the school day**.

Maintaining a consistent approach to uniform helps to promote a sense of pride, belonging and readiness for learning across our school community.

Please take a moment to review the uniform policy below. Thank you for your continued support. Uniform Policy¹

Snacks

We would like to remind families that children are welcome to bring a healthy snack to school for their morning break. However, we have noticed that some children are bringing very large quantities of food for snack time.

To help us promote healthy eating habits and ensure consistency, children will be encouraged to eat one portion as their morning snack. Any additional food brought in will be saved for lunchtime.

We would also like to remind parents and carers that all EYFS and KS1 children are provided with a free fruit or vegetable snack each day, so there is no need to send an additional morning snack unless you wish to do so.

Thank you for your support in helping us maintain healthy routines throughout the school day.  

Macmillan Coffee Afternoon

We are delighted to be hosting a **Macmillan Coffee Afternoon** on **Friday from 3.00pm** and would love for families and the wider community to join us in supporting this wonderful cause.

Please note that this is a **cash-only event**, as all money raised will go directly to **Macmillan Cancer Support**.

To help make the afternoon a success, **we would be very grateful for donations of cakes, biscuits, or other baked treats**. If you are able to contribute, please send your donations into school on **Thursday**, ready for the event on Friday.

Thank you for your generosity and support. We look forward to welcoming you for an afternoon of coffee, cake, and community spirit while raising funds for an important charity.

(If your child is in after school club and you would like them to have a cake, please send the money in a labelled, sealed envelope and we will take them down to choose a cake).

Fire Drill

On Monday, the Hedgehogs, Rabbits, Foxes and Badgers had their first fire drill of the year and did an excellent job. They listened carefully to instructions, followed the procedures calmly, and evacuated the building safely and efficiently. As it was their first fire drill of the year, we encourage you to talk with your child about the experience over the weekend. We spoke to the children beforehand in class about what to do, which helped them feel prepared and confident.

School Photographer

The school photographer will also be in school on **Wednesday 23rd September** to take individual photographs of the children. If you would like younger siblings to be included in a family photograph, you are welcome to bring them into school at **8:30am**.

Please ensure children come to school in **smart school uniform** on this day. **No PE kits, please.** And don't forget to bring your best smile! 😊

Parent Pop-In Session

We are delighted to invite parents and carers to our **Parent Pop-In** on **Wednesday 23rd September from 3:00pm to 4:00pm**.

Parents are welcome to collect their child at the end of the school day and then return to the classroom together. This will give your child the opportunity to proudly show you their classroom, share some of their learning from the start of the year, and tell you about their experiences so far.

The session is also an opportunity to have a brief, informal chat with your child's class teacher. Please note that, due to the number of families attending, teachers will only be able to have short conversations during this time. If you would like a more detailed discussion about your child, please arrange a separate appointment with the class teacher.

We look forward to welcoming you into school and sharing the wonderful start the children have made to the new academic year!

1 - Could You Spare a Little Time?

Unlike a traditional PTFA, Friends of Friskney is a small, friendly group of parents who come together to organise fundraising events and activities that support our school and enrich our children's experiences. At the moment, our group consists of just three parents, and we'd love to welcome some new faces to help share ideas, support events and keep our fundraising efforts going. You don't need lots of free time, specific skills or a long-term commitment. Whether you can help at an event, lend a hand occasionally, or simply contribute ideas, every bit of support makes a real difference. Even an hour or two throughout the year can help us continue providing valuable opportunities and resources for our children. Joining Friends of Friskney is also a great way to meet other parents and become more involved in our school community. Fresh ideas and new perspectives are always welcome, and the more people involved, the more we can achieve together. If you'd like to find out more, please speak to a member of the Friends of Friskney team or contact the school office. Together, we can make a big difference for our children and our school.

Poms Totals: Well done to the **YELLOW** Team who are the winners this week.

At our school, every child is assigned to one of four House teams: **Red, Blue, Green or Yellow**. Our House Point system, known as **Poms**, is used to recognise and celebrate children who go above and beyond in school. Pupils can earn Poms for a variety of reasons, including outstanding work, excellent behaviour, showing kindness, demonstrating resilience or being a positive role model for others. At the end of each week, all Poms are counted and added to each House's total, with the winning House announced and celebrated during our Collective Worship. It is a fantastic way to encourage teamwork, reward positive choices and celebrate success across the school. 🏆🎉
