## 1. Aims

Our school aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

Our school aims to promote respect for difference and diversity in accordance with our values of Love, Trust, Kindness, Hope and Respect.

## 2. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the Public Sector Equality Duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

## 3. Roles and responsibilities

The Academy Committee and the Trust will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents
- Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher with support and monitoring from the Academy Committee

The headteacher will:

- Promote knowledge and understanding of the equality objectives among staff and pupils
- Monitor success in achieving the objectives and report back to governors

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

## 4. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act – for example, during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every year.

## 5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people that are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the school will:

- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the data referenced above to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)

## 6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, personal, social, health education (PSHE), but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures

- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

## 7. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

## 8. Equality objectives

### Objective 1

To improve the outcomes for pupils with SEND or those in receipt of Pupil Premium funding.

#### Why we have chosen this objective:

In 2023-24 There was a discrepancy between the achievement of those pupils with SEND and/or those receipt of pupil premium.

#### We plan to achieve this by:

- Through Quality First Teaching;
- Teachers and TAs delivering high quality interventions;
- Monitoring the curriculum to ensure it is accessible and appropriate for those pupils with SEND and/or pupil premium;
- Adopting a 'first and best' approach for those children in receipt of Pupil Premium and/or SEND.

#### Progress we are making towards this objective:

Clear pupil progress meetings ensure that the progress of those with SEND and/or Pupil Premium are monitored and adaptations made where necessary.

Slides used in all lessons ensure that vocabulary is taught explicitly and the curriculum is given context.

Regular revisiting of learning ensures all children learn more and remember more.

### Objective 2

To ensure that all children have a growing awareness of the world and lives beyond Friskney.

#### Why we have chosen this objective:

Part of our school vision is to explore 'Old and New Horizons'.

The village has a small population and is in a remote part of a rural county. There are some children and families with limited access to the world beyond Friskney. As a school, we want children to have an equal awareness of the wider world and cultures to give them the best opportunities in life.

#### To achieve this objective we plan to:

Ensure the curriculum is written to include opportunities to raise awareness of the world beyond Friskney.

Use collective worship to raise awareness of the world beyond Friskney via the Lyfta platform.

Include opportunities within our PSHE curriculum to broaden horizons. E.g. Careers week to showcase a wide range of jobs and raise aspirations.

#### Progress we are making towards this objective:

Geography and History units incorporate the wider world such as our Boston to Boston unit.

Careers week is planned in for Feb 25 incorporating a wide range of careers.

English topics and texts have been chosen to incorporate a wide range of cultures and settings.

New opportunities that have not been offered before are being incorporated into the curriculum such as whole class Brass lessons in music.
