### This week's Bible Verse:

1 Corinthians 16:14

Let all that you do, be done in love...

Dear Parents / Carers,

I hope you are well.

I can hardly believe that we are nearing the end of this first term. I have been so impressed with how hard everyone has worked since we returned after the summer holidays. It has been wonderful to see every single pupil develop and grow as the term has progressed.

We are really looking forward to seeing you all at our parent consultation evenings this week on Tuesday and Wednesday evenings. Unfortunately, due to Class 1 being closed this week, Class 1 Parent Consultations will take place after half term with Miss. Denton.

Just a reminder that the final day of term is Friday October 22<sup>nd</sup> and we look forward to pupils returning to school on Tuesday November 2<sup>nd</sup>.

Mr. Smith

Executive Head Teacher

# The Friskney 5

How are you going to use the Friskney 5 this week?

## THINK OF THE WEEK

<b>Class 4</b>	
<b>Lacey Roberts-Brooks</b>	For being calm and managing challenging situations.
<b>Faith Heaton</b>	For showing respect and kindness to one of her peers.

**WELL DONE!**

Some wonderful Maths work this week from Class 3 who have been sorting 2D shapes into Venn diagrams.

# attendance

Class 1	91.01%
Class 2	95.07%
Class 3	96.46%
Class 4	96.88%

**Well done to Class 4 this week for having the best attendance,  
keep up the good work!**

Parent Consultations are taking place this week for Class 2, Class 3 and Class 4. We are really looking forward to meeting with you.

Due to the closure of Class 1, these parent consultations will take place after half term with Miss. Denton.

**Could we also please ask that for safety reasons, earrings are not worn at school on the day that your child has PE.**

Please don't forget that if you require before or after school care, we do run a breakfast club from 07:45am - 08:30am for a cost of £3 and an after-school club which runs from 3:00pm - 4:15pm at a cost of £5.

Both can be booked via Parent Pay, if you would like any more information about either of these, please feel free to contact the school office.

# What an amazing day of Science we all had!!!

Wow!!! What a day we all had on Friday October 8th, certainly one to remember. Exploding cornflour, flaming jelly babies and cola fountains all thanks to Olivia from the Royal Institute. The science shows kept everyone captivated and the looks on the faces of both the children and adults certainly gave the awe and wonder of science!

We were overwhelmed by the response from parents, and it was a packed hall for the after school show which was packed with exciting chemistry and physics demonstrations, the finale being a bottle rocket shooting across the hall.

Please keep your eyes open for future science events linked to the launch of the James Webb telescope and of course our annual science day.
